Baseline Risk Assessment Report
Del Amo Superfund Site
Los Angeles, California

Dear Mr. Rodriguez:

On behalf of the Del Amo Respondents, enclosed please find two paper copies and two electronic copies on CD-ROM of the above-referenced final report. In the paper copies being submitted to EPA and others noted on the attached distribution list, the large Appendix D of the report is provided on CD-ROM. In addition, a single paper copy of Appendix D is being submitted to EPA for your Records Center. The electronic copies of the report on CD-ROM contain the complete report including text, tables, figures, all appendices and responses to EPA and DTSC comments received on the June 16, 2006 Draft Final Baseline Risk Assessment Report.

Please contact me or John Dudley at URS Corporation with any questions relating to this report.

Sincerely,

George E. Landreth
